

THE 15 INVALUABLE LAWS OF GROWTH

Live them and reach your potential

Personal growth and leadership development go hand in hand.

How far you go is truly up to you because it's your growth that determines your success. Whether you're interested in personal or professional growth, learning the 15 Invaluable Laws of Growth will rapidly accelerate growth in all aspects of your life. Reaching your potential is a constant journey of discovery, growth, and insight which requires curiosity, consistency, and willingness to change. Once you jump on the growth bandwagon, success will be undeniable!

John C. Maxwell has spent over 40 years inspiring positive life transformation and helping others achieve their highest vision and goals, both personally and professionally, through his philosophy that "Everything rises and falls on leadership." If you're ready to learn more about the process of growth and the techniques needed to unlock your full potential, join me for The 15 Invaluable Laws of Growth!

In this group study, we will explore:

- **The Law of Intentionality:**
Growth Doesn't Just Happen
- **The Law of Awareness:**
You Must Know Yourself to Grow Yourself
- **The Law of Consistency:**
Motivation Gets You Going, Discipline Keeps You Growing

And you will discover so much more...
